SUBJECT: National Security Planning Group Meeting in  
Preparation for Ministerial Meeting in Moscow

1. A National Security Planning Group meeting will be held on 14 October time, location, and attendees to be determined. The session will focus on arms control topics to be discussed at the ministerial meetings in Moscow on 22 and 23 October. The specifics of the agenda have not been decided, but are likely to include:

- last minute Intermediate Nuclear Forces (INF) Treaty issues.
- US approach on Defense and Space (including possible tabling of a Defense and Space Treaty),
- US options for the Strategic Arms Talks (START) Treaty, particularly sublimits (the recent reassessment of the SS-X-24 may have an affect on sublimit options),
- how to procede on chemical warfare negotiations and in what venue, i.e, in the Conference on Disarmament or as bilateral negotiations.

2. The Arms Control Intelligence Staff will pull together the compartmented policy papers and other support materials, in conjunction with the appropriate offices and staffs, for your review and use.
